
Quilts for Vanuatu

To all New Zealand Quilters

MAIL 1: 20.03.15

You will have seen the news of the cyclone devastation in Vanuatu this week.

Perhaps like me , you have been thinking “How can I help?”

Well I have a way we can all help a little. I know that many of us Quilters have a cupboard where we keep those bed quilts we’ve made but don’t know what to do with them.

I am a quilter from Matamata , I have visited and enjoyed the sun and sea of the islands but now they need our help so I am collecting cot, small children and large whole family quilts, and have several plans formulating for how they will be delivered to an Aid agency in Vanuatu.

Please pass this letter on to as many quilters as you can

Perhaps you would like to just send me a single quilt or perhaps you would be able to be a drop off point to collect up a bag of quilts from your group or guild members

If you want to send just one or two quilts you can post/courier direct to me by 10th April, my address is

Caroline Mason, 48 Everad Ave, RD2, Matamata

caroline@techmason.co.nz

Current confirmed drop-off points between now and April 10th are:_

Bernina Sewing Centre, 387 Cameron Rd, Tauranga

Country Dawn Quilting, 38 Reyburn House Lane, , Whangarei

Minerva, 237 Cuba St. Wellington
